Statement

I have more than 20 years in the television industry in Greece working with major networks, local and international production companies across all formats, from morning talk shows, TV Series, game shows, current affairs, lifestyle and reality shows, such as *Big Brother*, *Wheel of Fortune* and *Farmer Wants a Wife* to name a few.

Main responsibilities

- Setting Production Division's Operating Practices & Objectives.
- Managing, Organising & Coordinating the Division; Supervision of Production Team.
- Supporting in Strategic Decisions / Production Planning.
- Project Preparation, Set-Up, Development & Project Execution & Delivery.
- Responsible for Set Constructions, Themed Decorations, Production Team Employment, Shifts & Schedules, Post-Production & Editing Coordination etc.
- Suggesting & Contracting Freelance Collaborators, Suppliers & Sponsors depending on Project Requirements.
- Budgeting & Project Accounting; Collection of Offers & Invoices, Administration of Production. Project Expenses: Budget Balance Sheets/ Expenses Applications/Cash Returns & Total Costs.
- Links, Live Broadcasts/Shows/Programs, Taped Programs, Green Box.
- Location Management (set, studio, outdoor, offsite), Venue Rental etc.
- Off-site Productions: Preparation (including arrangements for hospitality, transport, equipment, general program requirements), Coordination, Supervision, Management & Carrying-Out of Program Shoots.
